

Dear Family,

We are excited to be sending a book home each night that your Head Start student has personally chosen. Please read the book to your child. (A child may bring the same book home for several nights. This is normal as many children enjoy reading the same book over and over again.) When you finish reading to your child, circle, on the form, the number of minutes that is closest to the amount of time you spent reading. Brothers, sisters, aunts, uncles and grandparents may be the reader but we ask that a grown-up sign our form and circle the time that was spent with the child reading. Reading other books that you might have in the home can count as reading time, also. We hope your child enjoys this time you spend reading some of the specially purchased books. Reading to a child is believed to be one of the most important ways to help a child go on to success in school. Remember that **you** are a most important teacher for your child. Thanks for your help!

Sincerely,

Head Start Staff

Dear Family,

We are excited to be sending a book home each night that your Head Start student has personally chosen. Please read the book to your child. (A child may bring the same book home for several nights.
