

Dear Parents and Caregivers,

This is a reminder that we can not accept food donations of cake, cookies, or candies for special occasions. Also, we are not allowed to serve home prepared foods of any kind due to insurance and restaurant inspection regulations. Items for special occasions, such as books, crayons, stickers, pencils, and erasers are welcome but only if you have a desire to commemorate a holiday or special occasion.

Thank you for your support of our policy to serve nutritious foods at the Head Start center.

*Sincerely,
Head Start Staff*
