

Dear Parents,

The week of _____ the children in our class will be assessed using the *Learning Accomplishment Profile-Diagnostic* (LAP-D). The results of this assessment will be reported to you at our first conference and the teachers will use the results to make individualized plans for your child's learning. To give each child the attention he or she needs, for the specified week written above, your child will attend on the day noted below and that day only. The following week the schedule will return to normal as marked on your school calendar. Thank you for your help. If this schedule causes a hardship please discuss it with the center team leader.
